About Us

Our company, **Balaji Exports** was established in the year **1989**. Since our inception we have been engaged in the manufacturing, supplying and exporting of a variety of **Digital Printed Kaftans, White Blouse, Cotton Nightie, Ladies Tie Dye Dress, Boutique Fancy Dress, Beach Tunic, Polyester Kaftan, Islamic Abaya** . There is everything for every client of ours because we have a vast range to offer. We never compromise on quality and procure our materials from reliable vendors and use only the best technology to process them. Our talented team of designers are always updated with the international trends and keep incorporating them in our designs. We give special attention to detail and ensure that there are no manufacturing defects. There are stringent quality auditors who are constantly vigilant in the manufacturing process. It is because of this we have earned much client appreciation and receive bulk orders. Our clothes are soft, comfortable and skin friendly that has helped us to leave competition behind and earn client admiration. The range of clothes are not only attractive, vibrant and long lasting but also reasonably priced. We keep constant track of the international trends and are the first to take up a new design. We invest in only the best technology and design and our talented team puts in a lot of hard work to create unique designs. We take bulk orders and deliver the products on time. Our clients can easily place and order with us and...
