## About Us

Established in the year **1988**, we, "**Bala Ji Implex**", are one of the prominent importers and suppliers of **Various Types of Rudraksha Beads**. These beads are believed to be the link between heaven and earth. On the surface of the beads there are various grooves called Mukhis, which determines its quality. Since time immemorial, we have seen our Yogis and Monks wearing these beads around their neck. It is supposed to provide them with tremendous amount of tranquility and concentration that helped them in meditation. We offer **rudraksh beads - nepali, rudraksh beads - indonesian, rudraksh rare beads - indonesian, rudraksh magical beads - indonesian, rudraksh mala (rosari), rudraksh power mala, sphatik mala & shivling**.

Our vendors based in rural western parts of **Nepal and Indonesia**, make sure that the beads are picked from the best farms. Owing to the quality of our products, these are demanded across the nation. These are appreciated for their distinct Mukhis and durability. Furthermore, for the convenience of our clients, we provide them with some easy payment modes such as cheques, cash and online. We owe our fame and success to our mentors, "**Ms. Neena Gupta & Mukesh Gupta**". They hold long years of experience in the domain and are well versed with the process. Both of them aim at improving the quality of our products and achieving the organizational goals within the stipulated time frame.
