About Us

OUR PROFILEBALAJI INFO formerly 'Balaji Interiors' was established in 2000. The company provides interior design and space planning and civil works & constructions for varied type of projects including corporate and housing sectors. Balaji Interior Architects is a boutique interior design and space.Planning partnership, passionate about creativity and cutting edge design.In our drive to deliver innovative and practical solutions to our customers, we utilize our 14 years' experience in interior design, space planning and civil project management. Our strength lies in our passion for creativity, bringing unique elements to both modern and traditional designs. We take pride in designing and planning environments that are ergonomic and welcoming. Interior design by BALAJI aims to consolidate each customer's needs as well as the specific requirements into a form which imbues elegance and good taste.**THE WAY WE DO WORKS**After receiving a brief we will do a completely unique initial presentation for the client: this will include a furniture layout and mood boards indicating the exact furniture and fabrics we propose to use as well as giving visual examples of the "look" we think will work best. We will also do an itemized quote. This meeting will allow the client to make any desired Changes, additions, etc and then to decide what would like to proceedEach residential project requires a different a different approach. We endeavour to give each...
