We are a prominent supplier of **Ferrous & Non Ferrous Scraps and Industrial Scraps**. Procured from reputed manufacturers, these products are appreciated for their features like recyclable nature, superior quality and eco-friendly finish.

## About Us

Established in the year **2000**, we, "**Balaji Sales Corporation**", are a partnership firm, engaged in supplying **Ferrous & Non Ferrous Scraps and Industrial Scraps**. Our procurement agents source these products from reliable vendors of the market with good credibility, sound infrastructure & financial standing. These products are appreciated for their features such as superior quality, environment friendly finish, corrosion resistant finish and longer service life. After procurement, our quality controllers stringently test each and every product on several well defined parameters like durable finish standards and optimum functionality. In case any defect found in the procured products, these are returned to the manufacturers' end. Moreover, in order to achieve highest level of client satisfaction, we offer these products at market leading prices. We have also developed a voluminous warehousing unit that is spread across a huge area. Because of its substantial storage capacity, we are able to deliver our range within the stipulated time frame. Under the able guidance of our mentor, '**Mr. Vijay Anand Mishra**', we have scaled numerous heights of success. Owing to his years of industry experience and ethical business practices, we have garnered a wide clientele across the nation.
