We are one of the highly appreciated supplier, trader and dealer of variety of bearing to various industries. The range of our product is Thrust Bearing, Taper Roller Bearing, Pillow Block Bearing and many more.

About Us

Established in **1982**, as a **Sole Proprietorship**, with the vision to become trend setter, **Bangalore Bearing Agency** is one of the most trustworthy leading **supplier, trader and dealer** of wide range of bearings. All these collections of bearings are made up from high grade metal that we sourced from the reliable merchants of the market. Based on our in house R&D division, we are collecting these bearing from best vendors in the market. We are offering a wide range of **Thrust Bearing, Taper Roller Bearing, Ball Bearing, Pillow Block Bearing** and many more. All these products are known for their long life span, durability, rust free and easy to install. We are specialists in Odd Size Bearings. All our vision comes true is just because of hard working by our employees under the valuable guidance of our **Proprietor, Mr. D Z Qutub**. He has more than 3 decades of experience in this industry. His long experience has made us the niche and demanded supplier of bearing in the industry. This is due to his futuristic vision we are able to convert our turnover more than 30 Lakhs. Being the most trustworthy supplier in the market, we always focused on providing best quality product to our end customers. To keep our self as the market leaders, we have established best infrastructure in our organization. With the support of ultra modern infrastructure we can easily complete all our business activities with ease. For running...
