About Us

BapaSitaram Groowing is one of India's leading diamond manufacturers. We combine the finesse of art with the cutting edge of technology, to produce the finest diamonds for customers. Our vast experience, meticulous attention to detail, and technological superiority help us produce excellent quality diamonds, ranging from 0.01 to 1.50 carats in weight and D to J colors and almost all clarity and shape. Founded in 2005, the company today has a 5,000 strong dedicated and talented workforce. Our investment in the best possible equipment - including Laser Machines, Auto Bruters, Maxi Bruters and Auto Sliders - helps ensure that we always produce flawless diamonds. Each and every gem passes through the stringent testing of high-tech machines and diamond experts.
