BD Engineering Works

<https://www.indiamart.com/bdengineeringworksnoida/>

We are one of the most reliable manufacturers and traders of an expansive variety of **Mixing Blade, Air Intake Part, Flex Duct, Pipe Clamp and much more.**

About Us

Established in the year **2008**, we, “**BD Engineering Works**”, are an eminent enterprise engaged in manufacturing a comprehensive range of **Concrete Pump Parts, Schwing And Greaves, Clamp Coupling, Concrete Pump, Reduction Pipe, Cleaning Balls, Sealing Cover, etc.** Our range of machinery is manufactured using finest grade of raw material and components, which are procured from reputable vendors. Renowned for their high application-specific designs, consistent quality, exceptional functionality and efficient strength, our equipment is extensively employed in the construction and related industries.

Our organization has flourished under the expert and qualified leadership of our mentor “**Mr. Narayan Singh**”. Guided by his ethical business policies, we have established ourselves as a name to reckon with in this domain.
