We “**Bearing Words**” are a prominent entity engaged in **manufacturing** a wide range of **Air Compressor Oil, Engine Oil, Lubricant Grease** and **Lubricant Oil**.

About Us

We “**Bearing Words**” are a prominent entity engaged in **manufacturing** a wide range of **Air Compressor Oil, Engine Oil, Lubricant Grease and Lubricant Oil**. Incorporated in the year **2014** at **Rajkot (Gujarat, India)**, we are a **Sole Proprietorship** firm, engaged in offering a quality-assured range of products. Our mentor, “**Mr. Ramani Bhavin Patel**” (**Proprietor**), has immense experience and under his worthy guidance, we have achieved a respectable position in this domain.

Our strict adherence to eco-friendly practices and pollution control norms as laid down by the government bodies has gained us the respect of everyone. Having complete understanding of the safe environmental existence with HSS concepts, we are engaged in offering bulk products. We are also engaged in manufacturing/blending for few companies like Caltex, Tide Water, ILDA Labs and others, on a job-work basis. In this arrangement, we maintain utmost confidentiality with the blend formulations and their specification.

Our facility is incorporated with state-of-the-art technology for lubricant blending capabilities including formulating, blending, filling and marketing of automotive and industrial lubricants. Our team of highly efficient professionals, having sufficient experience and expertise in their respective domains, is an asset for us. Our professionals are ardently engaged in machine management, supply chain...
