We are a foremost enterprise, involved in rendering civil works and electrical, plumbing and furnishing services. These services are widely applauded by several customers for being flexible, reliable, prompt and cost-effective.

About Us

Established in the year **1998**, we, "**Beauty Decor**", are involved in rendering **Civil Works** and **Electrical, Plumbing & Furnishing Services**. These services are carried out with the assistance of our plumbers, engineers, architects and painters, making use of the latest machines. Our enterprise has years of experience in this domain and in that duration, we have successfully fulfilled the requirements of offices, homes, buildings, apartment and other establishments. In addition, our solutions are widely acknowledged for being flexible, reliable, client-centric and prompt. All our operations are system-driven and carried out by a pool of dedicated professionals. Our professionals are skilled to provide reliable solutions by adhering to industry laid standards. We apply advanced technology, while executing the projects and also keep in mind the specific requirements of our clients. Through our effective solutions, we endeavor to provide the customers with unparalleled solutions at cost-effective rates and gain expertise in the respective field. Heading under the visionary guidance of our mentor, '**Mr. Gopiram Jahangid**', we have carved a special niche in this domain. Due to his sharp business acumen and several years of experience, we have been moving towards the right track for long-term growth.
