About Us

The company has its origin in the partnership firm of B E Billimoria & Company which was established by Mr. Beji E Billimoria and Mr. Laxmidas K Kapadia. Since the inception of the Company in 1958, B.E. Billimoria & Co. Limited has enjoyed solid, consistent growth and financial stability and is well known as one of India's leading, dynamic and diversified firms of Civil Engineering Construction Contractors. At B.E. Billimoria & Co. Limited we are not just capable General Contractors; we are partners committed to building an empowering environment for our clients through creative and value-oriented building solutions. BEB is a value-driven organisation. Our values of integrity, professional response, transparency, innovation and providing quality within agreed schedules, have won us respect in the industry and permitted sustained growth and long-term success. At BEB our objectives are to promote the development of strategies to continuously improve construction competitiveness, to encourage lean construction through elimination of wastage, to ensure safety, to maximise stakeholder satisfaction and help influence positive changes in the industry.
