We are coveted firm engaged in distributing and supplying a range of Automotive & Industrial Batteries. Our products are acclaimed in the market for their long service life and high efficiency. We are looking for Queries from **Gujarat**.

About Us

Established in the year **1991** we, “**Bedia Group**”, are an eminent trader and supplier of **Automotive, Industrial Batteries** and **Domestic Batteries**. Manufactured using high quality raw material at vendors' end, these products are acknowledged for their longevity, resistance to corrosion, optimal efficiency and low maintenance. Owing to these features, these products are widely used in automobiles and different industries. We are looking for Queries from **Gujarat**. Our firm has established strong relations with the reputed vendors in the market. The sourced products are stored as per their category in a well maintained warehousing unit. The labeling and categorization of the products ensure easy retrieval. To attain maximum client satisfaction, we offer customization of these products. Furthermore, we have a wide distribution network that assists us in meeting the demands of our clients within the stipulated time frame. To maintain hassle-free monetary transactions, we accept payment in different modes. Under the wise and noble guidance of our mentor, '**Mr Dipak Bedia** and **Mr. Sandip Bedia**', we have been able to attain a remarkable position in the market. His charismatic leadership quality, ethical business strategies and transparent business policies have enabled us to gain a huge client-base across the nation.
