## About Us

An ISO 9001:2000 certified company offering the slimmest Medical X-Ray Film Illuminator which is only 1 inch thick (2.5cm) thick. About Us

Leveraging on latest technology and a team of fully trained personnel, **Beejay Realm Inc.** is catering to the requirements of medical fraternity, since its inception in 1988. The company is a leading manufacturer, exporter and service provider of innovative Medical X-Ray Illuminators (View Box) or MediXView X-Ray View Box. The view box is only 1 inch thick and is based on latest LCD Active Matrix TFT Technology. This innovative equipment is widely used in various reputed hospitals and diagnostic centers, based in Indian and other countries. The products are marketed under the brand name “**MediXView**”, which has gained a reliable and top position in the international domain. In the manufacturing of these equipment, we use the best quality material / components that are sourced from world renowned vendors only. Also, the technology used in their production is internationally accepted, which makes the MediXView X-Ray View Box far much better than the similar products available in the market. Presently, we are exporting our products in the markets of South America, Europe and Africa.
