## About Us

BHAGYASHREE COLOURS PVT. LTD. is the leading and preferred manufacturer and exporter of Masterbatch, fillers and additives based in South India. "Colours for Everyone" Established in 2008, BCPL a Professionally managed organization with indepth knowledge of plastic industry, considered to be one of the largest masterbatches & fillers producing company in South india with ongoing (Domestic and Overseas) major expansions. BCPL produces high quality MasterbatchES (for plastics & rubber) as well as Universal Colour Concentrates, Polymer based masterbatches, additive masterbatches and fillers for the Polymer Manufacturing, Polymer Converting, Petrochemical and Plastics Processing Industries. BCPL produces masterbatch solutions that are either general purpose or application specific. Application specific grades include masterbatch for Fiber, (PP, PET, PE), BOPP, Agricultural, Horticultural & Multi-layer films, PET Preform / sheet production & Specialist Pipe manufacture. BCPL is also a source for Customer Specific Additive Pre-blends using state-of-art technologies. BCPL is known for their fastest color developing technologies with more than 2000 shades already developed. Over the next few years, BCPL will be moving into a new phase of expansion, with plans to increase the company's exposure to the global market. The overall intention is to build a highly reputable business in all facets of the Polymer industry for Asia and beyond the Far East horizon.
