<https://www.indiamart.com/bharath-electricalworks/>

We Provide is Design, Construction, Erection, Testing and Commissioning of EHT & H.T. ,Transmission lines and Sub-Stations etc.

## About Us

We are the professionals in the field of Design, Construction, Erection, Testing and Commissioning of **EHT & H.T.** Transmission lines and Sub-Stations. Further we are also handling HT & LT **Industrial** Power Systems, utilities and software projects. **Our motto is to provide quality of works in scheduled time upto customer's satisfaction.**

We are a group of professionals, highly qualified and experienced to undertake turnkey projects right from **conception to commissioning**. We have built up on excellent team of engineers & technical staff with required machinery, tools & tacklers to execute the job intime with 100% efficiency.

We are holding a '**A**' **Grade Electrical Contractor License** for all voltages [220 KV, 132 KV, 33 KV & 11KV] and registered in many reputed Govt. public and private sector organizations. We have executed several Projects in Transmission Line Construction, Distribution and Substation structures for a number of Customers. Repeated orders are a testimony to the confidence and satisfaction of our Customers. Now we are expanding our Customer base rapidly across the country with ambitious growth plans. Visit our recent **Projects** for more details.

Our core strength also include our strong relationship with our sub-contractors & gangs. We are working with teams which are with us for past many years in...
