<https://www.indiamart.com/bharatimpex/>

We are manufacturers and exporters of **Single Lever Mixers in Brass and Zinc**. Our products have nice design and good Quality and Prices very competitive to China.

**WE manufacture products in India and export.**

## About Us

Bharat Impex was established in the year 1986 with the vision to be a leading manufacturer & exporter of CP Sanitary Fitting & Accessories from India. Its endeavor is to provide its buyers worldwide high quality product at competitive prices.

The Company is a 100% Export Oriented Unit. We have grown over the years in size & volume by exporting to over 40 Countries worldwide including: Europe, Russia, GCC countries, Africa, South America. we have dedicated management team which understands the dynamics of the Global market and specialize in the Sanitary Fittings business. The Company has sound financial strength to fund all expansion plans in future. We are focused on delivering quality product to our customers. We follow quality processes, enabled by ISO 9001:2008 certified for Manufacturing, Exports & Imports of Sanitary Fittings. To enhance our Quality Commitment, Bharat Impex became CE certified in Year 2012 specially for the consideration of our European Customers. The Company invests huge amounts on research & development. We are eager to learn the best techniques available worldwide.

The Company owns the manufacturing facilities in and around Delhi and is prepared for future expansion for coming years. The Manufacturing facilities are run by management professional & dedicated skilled labour. Our units have state of the art machines imported from Europe and other parts of the world. Our production capacities...
