Bharti Exports

<https://www.indiamart.com/bhartiexports-ludhiana/>

We are the Leading Exporters of India.

Founded in 1963, Bharti Exports is a 100% export oriented unit, and a Indian government certified Export House.

About Us

Incepted in **1963**, we “**Bharti Exports**” are engaged in **Manufacturing** and **Supplying** premium quality **Automotive Parts, Tractor Parts, Diesel Engines, Moped Parts, Hand Tools, Garden Tools, Bicycle Parts, Bicycle Components, Kids Bicycles**, etc. These components are designed and manufactured using high grade raw material and advanced machinery under the supervision of our skilled professional as per the industry set standard. These bicycle components are appreciated for high strength, corrosion resistance, low maintenance, easy installation and durability. Being a quality centric firm, we assure that the products offered by us are strictly checked against various parameters by our quality experts. Quality is the utmost factor for us that make us the preferred choice of our clients.

We have a set up of modern infrastructure that is situated at **Ludhiana, (Punjab, India)** and is spread across a wide area. This unit is segregated into several well-organized sub units like production, research & development, quality testing, warehousing & packaging, etc. Installed with advanced tools and the latest machinery, these subunits are running under the aegis of skilled professionals. We make our entire business process smooth due to this segregation that assists us to provide best in class products to the clients within the promised time frame. We are blessed with talented and experienced professionals, who work in close...
