## About Us

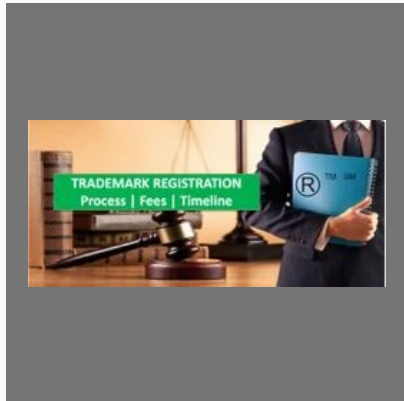

Bhavya Associates consultancy services has been formed by a group of professional experts with the basic object and with the vision of providing a complete business solution to the corporate sector and Industries. It has been established with a goal of providing one stop solutions for any problems relating to corporate sector and Industries. At Bhavya Associates, our motto is providing quality services with aim of customer satisfaction at the right time and at reasonable cost. Our goal is to offer legal advice at the highest level on select areas of law in a personal environment. We provide comprehensive assistance with all aspects of corporate transactions. We aim to give our clients exactly what they require. This often means building teams of professionals from different practice areas based in different countries.
