About Us

We have been publishing "**Guwahati Construction Directory**" since last eight consecutive years and since last two years we have been publishing "**Real Estate Directory**" and distributing them free of cost in the North Eastern Region. As we are connected with the construction fraternity for a long time, it was our wish to develop a website which would help every person in collecting information regarding purchasing of flats. Information is available at this site in a very detailed, correct and easy to locate flats availability: in a builder wise and area wise format. This is our tribute to the construction fraternity which gives one the chance to acquire a flat and make a dream come true, " a home away from home".
