<https://www.indiamart.com/bigbossrosystems/>

We are the leading Manufacturer of Water Purifiers, RO Plants, Wastewater Treatment Plant, Water Chillers, Water Packaging Machine, etc.

About Us

Established in the year **2012**, we “**Big Boss Ro Systems**” are the leading **Manufacturer** of **Water Purifiers, RO Plants, Wastewater Treatment Plant, Water Chillers, Water Packaging Machine**, etc. We are a well **ISO 9001:2015** Certified Company Dealing in RO Water Purifiers. Our Brand name has become the most popular & Acceptable Nation-wise because of outstanding quality & uncompromising components. Our Dealer & distributor network ensures perfect after-sales service, which is most essential in an RO system. We select the right combination of components with technical strength and innovation. Whether you need domestic, commercial & industrial RO water purifiers we will always available to you. Apart from this, we have quality testing units to check and maintain the quality of our products. Having spent so much time in this domain we procure raw materials from the most reliable and authentic vendors of the market because we believe in quality as a major area of focus.

Under the adept leadership of **Mr. Mahendra Singh Parihar**, we have achieved a reputed position in the market. Under his guidance, we have been able to meet client expectations. His managerial and marketing skills have helped the company to attain a reputed position in the market and gather a huge client base.
