## About Us

We are one of the pioneers in this industry. It's been 50 glorious years since we are serving our customers and are the best in what we do. Its a One Stop Shop for Spares and Accessories for Two and Three Wheelers.

Our company specializes in very large range of fluoroplastic materials from powders, stock shapes and tubing to high value added parts, components and assemblies.

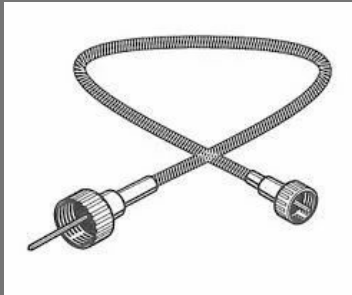

Quality and Honesty is the way our firm has grown and will grow on.
