# BioExtract

<https://www.indiamart.com/bio-extract/>

We are one of the eminent manufacturer and suppliers of a wide range of herbal products such as Herbal Powder, Lutein Flower, Bamboo Shoot, Natural Beta Carotene and many more. Our products are excellent in quality.

## About Us

BioExtract is 8 year old company engaged in the manufacture of high quality botanical extract for nutraceutical, pharmaceutical , cosmetic, food & beverage industries. GMP compliant manufacturing facility is equipped with ultra modern equipments. BioExtract possessed the complete system from laboratory, pilot to commercial production and the full manufacturing process from extraction, concentration, separation, drying, finishing and packing. Our efficient workforce works in excellent coordination to bring the best quality products to our client. Further, our chemical analysts further ensure that each of our batch should meet all the quality parameters required by our customers and best in quality. High quality raw materials, stringent quality control at various stages of production, proper inspection and packing of finished products along with testing of extracts with validated testing procedures helps us in delivering high quality extracts with complete traceability. Our well equipped R&D with the required equipment like HPLC, GC, UV etc.. which helps us in setting quality standards for manufacturing products with batch to batch consistency and confirming to the customer's specification. Our products are manufactured in eco-friendly manner to avoid any harm to the environment. Moreover, we make sure that safe chemicals and solvents should be used in manufacturing of products. We follow the strategic management policy...
