We are an ISO certified company exclusively aiming to satisfy all the laboratory needs of our customers since 2005 & established ourself in INDIAN market with the support of excellent and hardworking employees.
About Us

Established in the year 2006, at New Delhi, India, we “BR Biochem Life Sciences Pvt. Ltd” are one of the leading Import Houses and Service Providers for Bio Tech Research Products. These are sourced from world renowned companies & distributed in India through our well established market network. The product range offered by us include DNA / RNA & Protein Isolation Kits, Antisera for Plant Viruses, Bio Chemicals, DNA / RNA, Ladders & Markers Molecules Biology Products, Amino Acid & Protein Cross-linking Products, Laboratory Plastic wares, Cell Culture Plastic wares Micropipettes and instruments like Electrophoresis Units, Water Bath, centrifuges, Gel Doc, Spectrophotometer and a lot others. Other than these, we also offer Custom Services which include Oligos Synthesis, Standard Oligos, Long Oligos S-Oligos, Oligo Purification, Modification, Custom Peptide Synthesis, Modification, Gene Synthesis and DNA Sequencing. The business operations are led by our CEO Mr. Rakesh Singh. He is having 15 years of experience in Bio Technology Marketing sector that guides in providing highest possible quality standards in our complete range of products. The services of experienced industry professionals also assist in our objective of providing highest quality Pre & Post-sale services to our customers. Our team of application scientists & maintenance engineers also make sure that we have sound...

LAB WARE

- Autoclave Bag
- Bio Hazard Bag
- Weighing Boats
- Heat Resistant Gloves
LAB EQUIPMENT

- PCR Plate Centrifuge
- Biological Indicator Incubator
- Hot Plate Magnetic Stirrer
- Visible Spectrophotometer
LABORATORY EQUIPMENTS

UV-VIS Spectrophotometer
Refrigerated Centrifuge
Flip Grip Pipette Holder
BI-10K PLUS Mini Centrifuge
LAB EQUIPMENTS

- REFRIGERATED UNIVERSAL CENTRIFUGE
- BI-MV-200 Multi-Tube Vortex
- MINI LABORATORY CENTRIFUGE
- UV VISIBLE SPECTROPHOTOMETER
COLD CHAIN PRODUCTS

UV-5300 UV/Vis Spectrophotometer

Ultrasonic Cleaner

Digital Linear Shaker

NANO 200 Spectrophotometer
PCR REAGENTS

BITH-100 / BITC-100 Thermo Shaker

Nanodrop Spectrophotometer

Liquid Cryocans

Laboratory Microtome
KITS AND CONSUMABLES

Total RNA Mini Kit (Tissue)

Genomic DNA Mini Kit (Blood/Cultured Cell) GB100/GB300

Total RNA Mini Kit (Plant)

Genomic Plant DNA Mini Kit
HEATHROW SCIENTIFIC LAB PLASTIC WARE

BRBMC-20 Mini Coolers
4-Way Test Tube Racks
Universal Tube Rack
Reversible Racks 96-Well
LABORATORY SCIENTIFIC INSTRUMENTS

Non Refrigerated Centrifuge

Analytical Balance

Deep Freezer

Water Bath
LAB TESTING EQUIPMENT

- Laboratory Centrifuge
- VR100 Viral Nucleic Acid Extraction Kit
- VR300 Viral Nucleic Acid Extraction Kit
- Elisa Washer
CHEMICALS 1

High-Speed Plasmid Mini Kit

RNase A Solution 10 mg/mL

Acetone

100BP DNA LADDER
OTHER PRODUCTS:

- Centrifuge Tube
- Micro Spectrophotometer
- Digital Spectrophotometer
- Hot Air Oven
OTHER PRODUCTS:

Br-57 Laminar Air Flow

UT050 Ultra-Pure Taq DNA Polymerase

Presto Mini DNA Bacteria Kit

Pop Up Racks
OTHER PRODUCTS:

- Tablet PH Meter
- Digital PH Meter
- Stainless Steel Autoclaves
- Cyto Centrifuge
OTHER PRODUCTS:

- DNA Sequencing
- Oligo Synthesis
- Pocket Timer Stopwatch Clock
- Mini Bin TM Foil Dispenser
OTHER PRODUCTS:

Analytical Balance

Hot Air Oven

Laboratory Hotplate Magnetic Stirrer

BR10 M High Speed Centrifuge
OTHER PRODUCTS:

- Liquid Nitrogen Container
- Elisa Kit
- Benchtop pH Meter
- Rota-Rack HS29041A
OTHER PRODUCTS:

Micro Pipette Tips

SK:O180:Pro Digital Orbital Shaker

UV TRANSILLUMINATOR

BOD INCUBATOR
