We are a leading firm engaged in manufacturing a wide assortment of Cough Syrups, Pharmaceutical Drugs, Tonics and Gels. These products are appreciated for their features such as purity, no side effect, accurate composition and longer shelf life.
About Us

Established in the year 2008, we, "Bionext Pharma Private Limited", are a prominent firm engaged in manufacturing a wide range of Cough Syrups, Pharmaceutical Drugs, Tonics and Antacid Gels. This range comprises of Antitussive Syrups, Cough Suppressants, Cough Expectorants, Elixirs, Anti Histamine Preparations, Enzymes Preparations, Pediatric Preparations and Analgesics. In addition to this, we offer Anti Malarial Preparations, Multivitamin and Multi-Mineral Preparations, Calcium And Vitamin Preparations, Broad Spectrum Antibiotics, Haematinic Tonic and Drops, Antacid Gels and many more. A pharmaceutical drug is a chemical substance, which can be used in the medical diagnosis, cure, treatment and prevention of disease. These products are processed using superior quality ingredients, which are sourced from the trusted vendors of the market. The products offered by us are widely acclaimed for their attributes such as safe consumption, accurate composition, purity, longer shelf life and effectiveness. The entire range is processed by our technical experts as per the WHO-GMP & cGMP guidelines. These products are widely demanded in hospitals, clinics, nursing homes and health centers. We have developed a state-of-art-infrastructure, which is spread across a vast stretch of land. This infrastructure is divided into various units such as manufacturing, R&D, quality control, packaging & warehousing. The unit...
