## About Us

***Bizvantage Training & Consulting Co. Pvt. Ltd.*** is a young organization set up in April 2007 – poised to become one of the leading providers of business critical training. Bizvantage prides itself in having some of the best talents from the industry as part of the organization. Our team provides a unique mix of more than a decade's experience in training & consulting along with strong business fundamentals. Bizvantage serves clients across Asia Pacific from its headquarters in New Delhi, India. In addition, we regularly work with Associates in Mumbai and other cities of India. We specialize in designing and delivering customized workshops for client organizations. Our clients include leading Multinational and Indian organizations across India and other parts of Asia Pacific. Our comprehensive approach of pre-workshop analysis and post-workshop implementation support offers us a distinct competitive edge with our clients. The delivery mediums chosen depend upon the workshop objectives and participant profile. We are equally comfortable with indoor as well as outdoor workshops where we use nature and activities as a medium to facilitate learning. As we are a young organization, our people go that extra mile to create memorable learning experiences for the participants. This helps us to fulfill our objectives of providing high degree of client satisfaction.
