## About Us

B K Kapur & company was established in the year 1958 and is one of the oldest and well reputed firm of chartered accountants in ghaziabad, noida and delhi. We have been rendering professional services relating to auditing, assurance and taxation- direct & indirect, management consultancy and wide array of company law matters for a long time. With the liberalization of the indian economy, the firm added corporate and financial advisory services, focusing on newer areas like mergers and acquisitions, transfer pricing etc.

The firm has a secretarial wing as well for adhering to the requirements of annual filings, xbrl filings and other secretarial compliances.

Our firm is driven by our common goals, continuous commitment to quality and our strong values. We work with our clients, our success partners and are committed to making a difference to our clients and our institute.
