About Us

We are a service provider company who impart IT services throughout India. We are experts in e-Governance Services, IT Solutions & System Integration, IT Advisory & Consulting, Training & Capacity Building, and other IT enabled services. BMPTECH firmly believes that given an opportunity for delivering solutions and IT services – one must rise beyond the limits of routine delivery of IT services and solutions. It should be taken as an opportunity to don the role of a trusted partner, understand the company's vision and mission, assess the needs of the stakeholders, work towards measurable objectives and deliver value to the customers.
