## About Us

BNM Organics Pvt. Ltd. is one of the leading producers and suppliers of high quality Glycerophosphates, a wide range of Calcium compounds, Active Pharmaceutical Ingredients (APIs) and other organic & inorganic chemicals. These cater to the companies in Pharmaceutical, Nutraceutical, Food-supplement, Veterinary and Health sectors and are also used in the manufacturing of refractories & electrochemicals..

Incorporated in 2002, BNM Organics has today emerged as a strong and vibrant international company with a cGMP manufacturing site with quality Certifications. Over the years we have nurtured a close relationship with market-leading companies catering to Pharmaceutical, Biotechnology, Nutraceutical, Food-supplement, Veterinary and Health sectors, which has provided great value addition and which forms the basis of our expertise.
