Bodar Industries

<https://www.indiamart.com/bodarindustries/>

We are Manufacturing a premium quality range of Cosmetics Chemicals, Industrial Surfactant, Methyl & Ether Series, Petro Chemicals, etc. These products are appreciated for being cost-effective, pure in composition and being effective in performance.

About Us

We “**Bodar Industries**” established in the year **2017**, are involved in **Manufacturing** range of **Cosmetics Chemicals, Industrial Surfactant, Methyl & Ether Series, Petro Chemicals, etc.** We deal in both organic and inorganic chemicals, and therefore our horizon of trade in the market has widened. Gradually, Trading on the industrial know-how and commitment towards excellence, we evolved as one of the leading suppliers of organic and inorganic chemicals catering to a number of domestic and international clients. Through an unwavering focus on Quality, Commitment & Delivery, we have charted our way to success in our operations and have won the admiration of our customers. Our success in the industry is built on the strong pillars of innovation, quality, & dedicated customer service. By incorporating these & other business strengths, we have boosted our capabilities to maintain high-quality standards in the industry. By adopting advanced technologies, refining processes & exploring wider applications, we aim to secure our position in the present and believe in creating opportunities for the future. By maintaining a speedy and flexible process of production, packaging & delivery, we have been providing a stable and reliable supply base across the market.

Our Managing Director, “**Mr. Alpesh Bodar**”, is a constant source of inspiration. He has a wide knowledge base and rich experience in this...
