About Us

Bombay Computers - Macbook & Laptop Repair we are a small team of techies that love to dig in electronics and fix, and that is how we earn our bread. If you got an apple bring it to us we love it as fruit as well as a device. As long as you love your device we love to care about your felling hence all device is being handled very much carefully. Our Nest (the workshop) is equipped with everything the same as your own home the safe and place for all electronics. We at Bombay Computers can fix apple macbook devices, laptops, phones & iPad in less few hours. Most of the work is done ONSITE at your place so you don't need to carry in, wherein few cases we do pick and delivery from all Mumbai & Navi Mumbai region.
