About Us

Boodmo.com, unit of Smart Parts Online Pvt. Ltd., is the ultimate destination transforming the way people buy spare parts in India. We serve as Your Spare Parts Expert. Automobile service industry is very unorganized in the country as most of the repair shops charge more than the actual price of the replaced product or sometimes it becomes difficult to find a replacement in the local spare part market. That's where Boodmo.com comes into the picture. We serve as a platform for vehicle owners, especially the car owners where they can find spare parts using original catalogues or using the VIN. We get you the best auto parts from across the globe at the best possible price. We are guided by the Vision to make Automobile Service Industry Organized where people can find the best-suited automobile parts just with the few mouse clicks. Our Aim We are driven by the aim to organize market of spare parts in India and become the #1 online destination for everybody interested in the auto service industry. We are in a process to make the spare parts market more dynamic and transparent for everybody. We are a bunch of people chasing the dream of redefining the Indian spare parts industry. With our huge database of genuine and aftermarket parts replacement, users can identify necessary part easily due to continuously updated catalogues.
