# Book Shoppee

<https://www.indiamart.com/book-shoppee/>

Our company has achieved a distinct niche in the industry by wholesaling and trading the diversified range of School Note Book, Kids Book, Children Book and more. We ensure making the delivery of products within the committed time.

## About Us

**Book Shoppee** has stepped into this challenging industry in the year **1989** and started business as a **sole proprietor**. Since then, we are indulged in **wholesaling and trading** the best quality range of **School Note Book, Kids Book, Children Book, School Learning Book, School Book, Educational Book and Book Cover Roll**.

It all began around 28 years ago from a small bookstall in Mumbai and Today here we stand Wholesale Book Store serving to needs of schools and institutions all around the country. At **Book Shoppee** we are focused on providing quality books and services with the highest levels of customer satisfaction. We will do everything we can to meet your expectations.

With a variety of offerings to choose from, we are sure you will be happy working with us.
