Bose Panda Instrument Private Limited

https://www.indiamart.com/bosepandainstrument/

Being amongst the prominent firms, we specialize in manufacturing, exporting and supplying an exclusive range of Temperature Gauge, Pressure Gauge and others. Our range can be customized as per the specification of clients.
About Us

Bose Panda Instrument Private Limited came into existence in the year 1992 as a manufacturer, exporter and supplier of a comprehensive range of Temperature Indicator, Temperature Controller, Thermocouple & Temperature Transmitter, Temperature Gauge and Pressure Gauge. It has been our company’s consistent endeavor of providing inventive and cost effective range of products that has further helped us gain a huge clientele. We ensure “Complete Quality” by following rigorous Quality Assurance Check program. Owing to this, we have gained associations with some of the reputed clients namely Graphite India Limited, Oil India Limited, Eastern Railway, India, Usha Martin Limited and many more. Our company also has thousands of installation in the field.

We have also leaded a new way in the field of automation, control and temperature indication in India as well as have established ourselves as a leader in the field of instrumentation. We provide customization solution as per the specifications of clients and ensure to deliver products within the prescribed time frame.

Products offered by us are widely acknowledged by the clients spread all across the country, which includes Orissa, New Delhi, Jharkhand, Bihar, Assam, Chhattisgarh, Andhra Pradesh, Karnataka and UP. Our range is widely utilized in Cement, Automobile, Fertilizer, Sugar, Power plants, Fisheries, Pharmaceuticals, Chemicals, Pharmaceuticals, Pollution Control,...
