About Us

The BPIHT works under the B.B. Charitable Trust, which recognizes the abilities of its students and enables them to grow and evolve into successful professionals. The Institute has been conceived with the ambitious objectives of developing professional expertise and skilled manpower in Hospitality Industry and related areas. This will enable the country to exploit efficiently emerging opportunities, and meet economic challenges being thrown up by the rapid global Hotel & Tourism revolution, virtually which is influencing every area of development and social activity. BPIHT is focused on value addition to the courses that it offers to the student community and provides the unique combination of academic excellence, opportunities, choices and experience. We believe that the students need support, guidance and assistance to grow into skilled professionals, what enables them to develop the high degree of concentration, they require is not just excellent academic teaching, but overall comfort in life, as we believe that students must not be burdened by any sort of anxiety or stress. At the institute, we provide great significance to interactive learning. In fact, this aspect is what makes the atmosphere at our institutes warm and friendly. The B.P. Institute of Hotel & Tourism has prepared young people for their professional career, with a particular focus on hospitality and gastronomy. All of our programs, at all educational levels, have a strong leaning towards hands-on...
