About Us

Brainz Store was established in the year of 2001. We are leading Manufacturer, Service Provider & Supplier of Using finest class basic material along with modernized tools and machinery, these offered machines are highly demanded. To add, their affordable rates and customization facility makes these machines a preferred business name.

With sincere intentions to uplift our reputation in this highly competitive industry, we are presenting a wide consignment of Drinking Water Vending Machine. Under the command of skilled personnel of our crew, these offered machines are enormously recommended. Besides this, these are tested sternly before getting shipped at the premises of our customers in between the assured span of time.
