About Us

Braiform is our brand name. It signals the global integration of our Braitrim, Plasti-form and Spotless Plastics businesses. Our singular structure enables us to think globally, act locally, get to market faster and provide more competitive and innovative garment hanger products and programs. Braiform partners with retailers and garment manufacturers providing either industry standard or bespoke garment hanger solutions. We manage garment hanger logistics, from the development of innovative design concepts and quality manufacture, to timely and cost competitive global distribution. We make it easy for our partners to focus on retailing. We enhance the retail experience. Our garment hangers reinforce point of purchase strategies, reflecting brand values and presenting merchandise in uniform and user friendly ways whilst enhancing displays. We simplify retail operations. Braiform's global footprint is second to none; We operate in over 30 countries and employ more than 1,000 people. Our low cost, end-to-end supply chain achieves significant procurement and distribution efficiencies. Garment manufacturing is a global business. Braiform's production, warehousing and distribution hubs are strategically located to minimise logistics costs and increase speed to market. As the Retail Sector moves garment hanger production around the world, often to countries that present significant operational challenges, we have the flexibility to adjust our footprint to meet their needs.
