Brandsol, a leading merchandising solutions company, is the most preferred merchandiser of top corporates in India with a highly diversified product range and pan-India presence catering to their branding and gifting requirements.

About Us

Established in the year 2005, “Brandsol” has emerged as a trustworthy importer, exporter and provider of Merchandising Goods throughout the nation. Additionally, we provide logo imprinting services to promote and enhance their brand recall. Our product range is acknowledged for featuring alluring looks, durability, beautiful patterns and different color-combinations.

Our organization is blessed with a team of experienced and skilled professionals of this domain. These experts strive hard to maintain the set quality standard of every product by testing them on various parameters. From the initial stage of procurement till the final stage of reaching the market, our products are thoroughly checked under the supervision of our quality analysts. The products we supply are used to cater to the branding and gifting needs of various corporate houses across the business sector. Besides this, our warehousing experts emphasize on storing the product range in the most organized manner. Moreover, each product is properly packed with premium quality packing material so as to avoid any damage during transit and enhance their looks. All these reasons have made our organization the most preferred choice amongst our clients located in different parts of the country.

Under the supervision of our management, we have been able to achieve a strong reputation and have become a preferred choice amongst our clients.
