About Us

Can you remember a time when you saw a long lost friend across the room or across the street? When your eyes met and you reconnected with an instant flood of fond memories, what was the first thing you did? If your first instinct was to wave, then you now know the sentiment behind our name. Brewmen is a place to connect, less in the electronic sense and more in the face to face, have a laugh and some good conversation sense. At Brewmen, we use the very finest coffee beans available. Specifically, 100% Specialty Grade. Our food menu also is the best of any coffee chain. Come to Brewmen and you'll be tantalized by a fresh and wide variety of sandwiches, burgers, pizza, dumplings, desserts & other innovations gracious servers have made us the destination to a growing segment who are looking for a local alternative to the multinational coffee giants.
