

Bright Security Services

Bright security Services is a professionally qualified & experienced Management Company dedicated to provide 24 hour Security and Facility services. We are complete and affordable source for all your Hospitality & Facility Services.

About Us

Established in 1996;Bright Security Serviceswas formed with the intention of being a provider that took a different approach to the commercial security industry. Bright Security Service is led by Mr.C.K.Surendran and The senior management team also has some very experienced security exponents. We recognized that client servicing and employee welfare were two key areas that were being consistently over promised and continually under delivered by other security providers. Our employee and client retention rates provide the perfect proof that we did not follow suit. Our company is registered under the HOME DEPARTMENT of Kerala Government and also PF and ESI authorities and is in compliance with all applicable rules and statutory regulations. As a firm engaged in offering commercial housekeeping, security and integrated facility services to a number of corporate companies, BRIGHT have acquired a vast client base that has been with us since our inception and are known for a consistent renewal rate. Our all-encompassing services include House Keeping Services, Security Services, Guest House Maintenance Services, Electrical Maintenance Services, Plumbing Maintenance Services, Monitoring Services, Horticulture Maintenance, Cleaning Services, and Labour Contracting Services.
