<https://www.indiamart.com/brightpolymers-ahmedabad/>

We are the reputed Manufacturer, Exporter, Trader and Supplier of an optimum quality range of Plastic Packaging Bag, Plastic Garbage Bag, etc. This range is widely acknowledged for its seamless finish and supreme quality.

About Us

We “**Bright Polymers**” are the reputed **Manufacturer, Supplier** and **Exporter** of premium quality **Plastic Bag** and **Plastic Garbage Bag**. Established in the year **2004** at **Ahmedabad (Gujarat, India)** as a **Sole-proprietorship firm**, we have well-resourced infrastructure handled by ingenious professionals. Our infrastructure is well-equipped with all the necessities and facilitated by our expert professional team. We are also a well-known exporter of our supreme quality range. This range is manufactured from superior quality basic material using advanced machinery and progressive technology. The offered range is highly demanded in the market for their noteworthy attributes such as excellent finish, tear-resistance, high longevity and varied colors. We are also a renowned **Trader, Supplier** and **Exporter** of the finest quality range of **Aluminium Packaging Material, Packaging Film, Plastic Granule, PP Woven Bag, HDPE Packaging Material, Jumbo Bag**, etc. We procure this range from prominent vendors of the market who produce supreme quality range and have significant market presence.

Additionally, we have a stringent quality control unit which is managed by expert quality checkers. Our experts duly check this range using quality testing tools and equipment as per the predefined quality parameters to ensure its flawlessness and longevity. Under the leadership of our mentor “**Mr. Mehul...**”
