About Us

Although your home or office is cleaned every day, doesn't it sometimes feel like it is not clean enough? Maids do a superficial job and moreover they do not have the right equipment for the job. The answer is to periodically hire professional deep cleaning services. **Broomberg Services** is in Delhi / NCR's premium deep cleaning service for homes and offices. We are total professionals when it comes to cleaning with well trained staff and the best equipment and techniques. Our staff is selected after a thorough background check and police verified. Our selection process is so stringent that only 10% of applicants make it. Our team goes through an intensive 4 week training that includes classroom sessions and hands on practice so that you get the highest quality of service.
