About Us

Founded in 2009, aryan international, a premium hotel supplies company dealing with all 3 ,4 , 5 star & luxury resorts in india & abroad, launched the brand "brown forest" in 2012. . Since its inception in 2009, the aryan international has grown rapidly to become a prominent name in segments that it operates viz. Hotel supplies, we touch numerous lives across the globe with class hotel supplies products and retail. Brown forest brand emerging as one of the reliable export house in india rest on its strategy to listen to its customers, develop stronger relationships with them and provide continuous updates & knowledge sharing with the help of it (information technology) enabled enterprise data interface. By way of strong pre and post sales services viz market analysis, imparting product knowledge and enabling customer's inventory management, brown forest retains a foremost position as a most preferred supplier. the spreadimage 01for the first six months the business was run from small office in pune. The office was filled with the first boxes of products and brochures. It really was a gamble, but the belief in concept and an intuition that the timing was just right has made us what we are - a complete like-minded hard-working team. The brown forest name became established over that winter, the orders increased to 20 or 30 a day. Due to increased workload and lack of space, the company got a small warehouse at malegaon, with assembly, stitching unit & a...
