## About Us

**B. S. Jagdev Industries**, a Sole Proprietorship business firm, started its business operations in the year **1975 at Ludhiana in Punjab, India**. Since our establishment, we have emerged as one of the prominent names involved in **manufacturing and supplying** of auto part, tractor part & oil engine part widespread gamut of Auto Parts and Forged Components. Owing to the guidance and support of **Mr. Satnam Singh**, our experienced manager, we have established our presence all across the nation. His industrial acumen and ability to comprehend customer's demands has enabled us to safely dispatch our widespread product range in the market. Our product range includes **Bolts, Auto Parts and Nuts**. These products are highly cherished across the major markets of the nation for their precision engineered, durability, reliability, high performance, rust proof nature, long functional life and high mechanical strength. We procure finest grade metals and components to manufacture our range. These are sourced from trusted market vendors, who develop the range using modernized machines and cutting-edge tools. Not only this, we make utilization of sophisticated designing patterns, thereby ensuring its compliance with set industrial standards. Every production stage, be it material procurement, its utilization or production is carried under the strict quality control as per the guidelines of international quality. Before making the...
