About Us

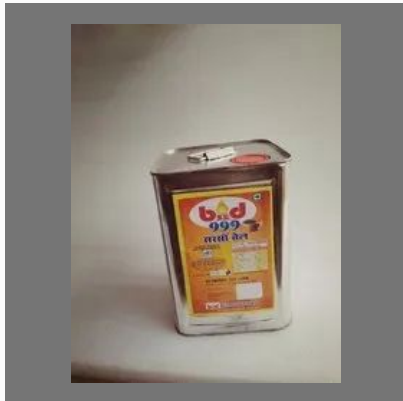

BSSD Overseas is an ISO 9001-2008 certified Indian edible oil manufacturing organization. It was founded by Shree Pardeep Sharma with a passion to deliver premium quality products. BSSD Overseas always adheres to its legacy of maintaining premium quality-right from procuring of raw materials till the product is packed and delivered to the consumers. The first stage includes the cleaning of raw materials. They have to undergo a 3 stage cleaning process before proceeding for production in Kohlus. Before rolling out, these products are filtered thrice to remove all the impurities. After the stamp of approval of premium quality from our highly trained lab technicians
