About Us

BuildTech Architects was established in the year 1993. Based in coimbatore, buildtech architects & creative interior designers have been converting imaginative designs into architectural marvels for more than 20 years. Buildtech architect's undying passion for producing innovative practical designs has earned them the title of being the leading architect in south india. Buildtech architects in a nutshell, is a company that has re-defined space utility planning, visual appeal and comfort in a building's design. Under the flagship of a visionary mr. Jai hari hara sudhan, buildtech architects have acquired the position of being the most sought after architects and creative interior designers firm. With a massive team of professionals, experts in their respective domains, mr. Sudhan has always been able to deliver beyond his client's expectations each time, every time.

Buildtech has designed ultra modern residential projects and among the commercial projects buildtech have designed educational institutions, hospitals, hotels, restaurants, malls, industrial buildings, shopping malls, community centers, corporate buildings and also urban designs and ultra modern interior designs. Buildtech doesn't believe in replicating designs, our creative team are blessed with so many ideas, that they are able to re-create each building with distinctive uniqueness in them. Each building will be packed with extreme degree of sophistication and creative...
