About Us

Bullet Miami, which came into existence in the year 1976, constantly has sought to be a value driven organization and has scaled a reckoned position in the footwear industry. The first store of Bullet Miami was opened in the year 1976 at RS Puram, Coimbatore. It was started by the Late Mr. K. I. Sheriff. After migrating from Conoor in the late 50's he was engaged in the business of trading raw leather and later on started manufacturing men's and women's footwear after hiring a few cobblers. He was so well versed with the different textures of leather that just by looking at the shoe he would be able to tell the history of it. Within a few years of opening the store at R.S Puram, he had developed a good network of regular customers who often visited the store for its unique designs, service and quality.
