About Us

Burhani Enterprises came into existence in the year **2004** as a **Sole Proprietorship** venture headquartered itself at **Chennai, Tamil Nadu (India)**. We hold specialization in **supply, trade** and **wholesale** of **MS Pipe, GI Pipe, Hand Held Screwdriver, Pneumatic Tool, Pneumatic Valve** and **many more**. We have a prominent position in market as our products are manufactured from high quality raw material. We stand apart from common markets as we strictly avoid unfair marketing practices. Attractive and safe packaging also makes them look classy and secured from being getting damaged. We practice benign planning and inexorable efforts which is consistently fostering an organizational growth to our company. Our company is forging ahead under the excellent governance of **Mr. Hussain Mohammad and Mr. Mustaffa**. Both of them are proprietor of the venture and posses in-depth knowledge of the concern industry. They coordinately practice latest trading methods and imply new technology in our premises. They guide the whole team regarding every new marketing idea and methodology. Their constitutive visionary approach and business ideas has driven our organization to an outstanding position in the industry. They always lean ahead of our competitors with translucent trading policies and competitive prices. A team of diligent and skilled employees backs u in terms of manpower. We...
