We are backed by our own fleet of Trucks, in addition to numerous trucks attached to us and have Offices/Godowns at all Major Towns and Cities and can handle of all types of Cargo.

First we used to Transport Material by sea by wooden country crafts of 60 M.T. capacity when roads were not attached with national Highways, at that time People used to send their Material like Fish, Wheat, Groundnuts, Groundnut Oil, e.t.c. by road on their own risk and it reached Bombay after 6 to 7 days. At that time We were the only Transporters who took the challenge to transport the material by Sea to Bombay within 30 Hours.

We have an experience of over 30 years in Transport Business and have satisfied most of our customers with minimum of claims and complaints. We also accredited our self as Bank Approved Transporter for past 20 Years.
