About Us

Welcome to the "BVM-MPL"

Though many changes occurred in the company since 1999 Feb, when we started as a proprietorship, one thing remains constant and that is our commitment to deliver the world's state-of-the-art surgical products.

"Products that ENT Physicians can rely on and patients can trust." Later in the year 2004, the firm was subsequently changed to a **B.V.M. Meditech Pvt Ltd** for erstwhile firm known as **B.V.M. Marketing International**. Over the years since our beginning, we have expanded our line of products with innovations from some of the world's leading manufacturers, health care industries and of course patients. BVM-MPL today associated with leading manufacturers who are offering best surgical goods for the patients cure and care. We are **Littmann Stethoscope Distributor in Delhi**. We have shifted many companies due to quality. As we NEVER EVER compromise on the quality for the sake of patients health and the doctor's trust, which is the back bone of BVM-MPL. We are focussing on ENT (Ear, Nose and Throat) high quality innovative products within laryngology, otology, rhinology, oral and maxillofacial rehabilitation, Head and Neck cancer and airway management for laryngectomy, dysphagia and tracheostomy patients.
