

Cable Sales

<https://www.indiamart.com/cablesales/>

Cable Sales began its venture in the electrical industry as a **Manufacturer, Wholesaler, Trader and Supplier** of quality and easy to install **Industrial Wire and Cables, ACSR Conductor etc.**

About Us

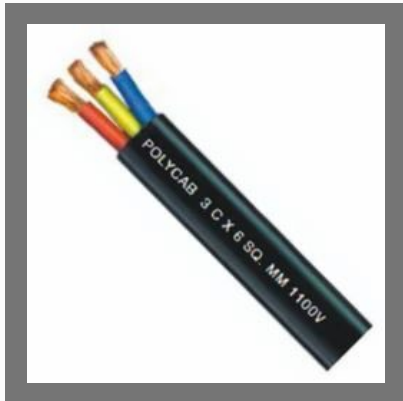

Established in 2010, **Cable Sales** is known as a **Manufacturer, Wholesaler, Trader and Supplier** of **Industrial Wire and Cables, ACSR Conductor, Cable Tray and Raceway, DB Box, MS Conduit Pipe, Switch Gears, GI Strips, GI Pipes**. Offered products possess advance technology that ensure their easy installation and satisfactory performance. We are committed to keep long-term partnership with our clients to grow and develop together while enhancing our goodwill in the market. Working under quality control system, we ensure that our products meets high industrial standard which indicate their safe electrical usage. Besides this, our organization keeps transparent business practices to be associated with clients for a long-term. Our valuable knowledge and experience gives us advantages over the others like large pool of worthy clients, relevant market knowledge and capability of adopting advance technology. We have well-structured infrastructure and advance facilities to support our skilled team of professionals who develop offered products in compliance with industrial standards. Besides this, we deliver our products through wide distribution network within committed time frame. Under the guidance of **Mr. Sandeep Verma**, our organization has been achieving its objective to become a noteworthy organization recognized for high quality and incomparable client's satisfaction.
