About Us

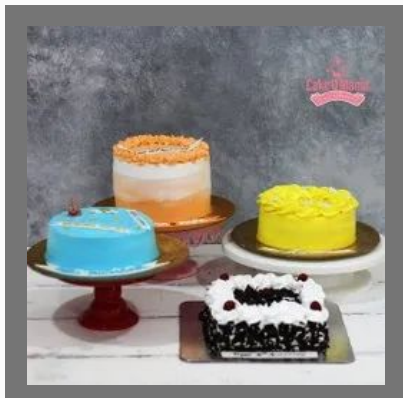

We started as homebaker and over the years we used to make customized cakes and serve nearby locations. But then, one thing lead to other. An opportunity came to expand our horizons and then there was nothing to look back. With our own manufacturing, we started dealing in cookies, macarons, artisanal bread, muffins, cupcakes, chocolates and more, helping create memories. With a retail outlet and deliveries across Bangalore to some of the leading houses, we would be glad to handle your business as well. Our endeavour is to do that & serve you with best - from simple cupcakes to theme based cakes and more..
